

The background of the page is a light gray with a subtle, repeating geometric pattern of interlocking triangles. In the upper right corner, the Sun Barrier logo is displayed in a bold, sans-serif font. The word "SUN" is in red, and "BARRIER" is in black, followed by a trademark symbol. Below the logo, the tagline "ALWAYS SHIELDING YOU" is written in a smaller, black, sans-serif font.

WHY CHOOSE A **FROSTED DESIGN?**

Enhanced Privacy

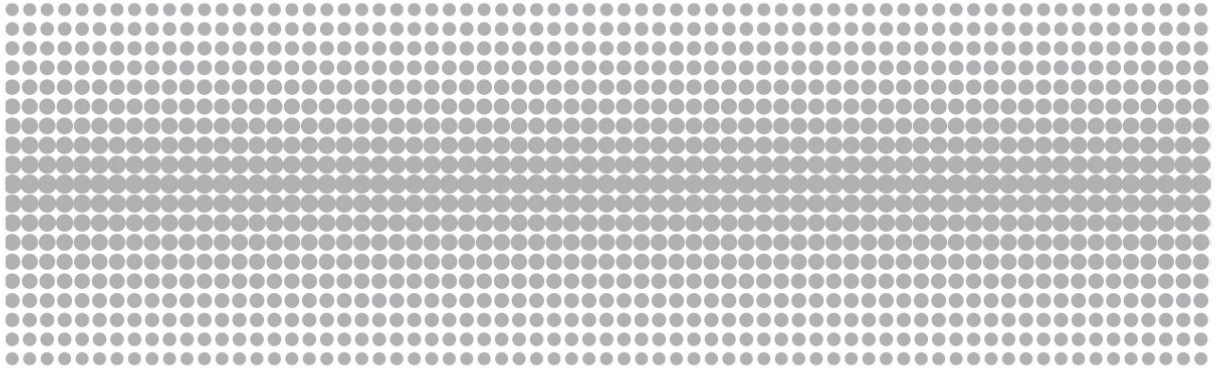

Frosted designs obscure visibility, making them ideal for areas where privacy is a priority, such as office partitions or bathroom windows.

SB 011

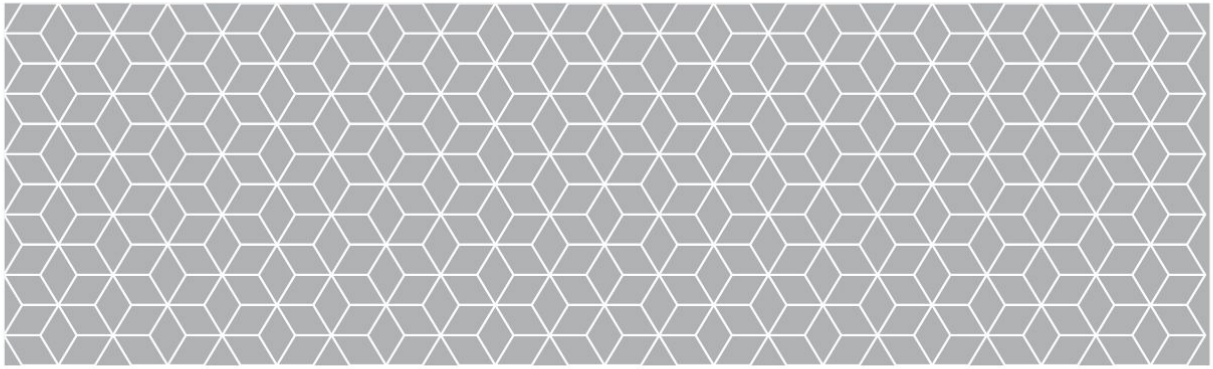

**The height and width are adjustable, but the minimum gap and line is limited to 8mm.*

Customizable

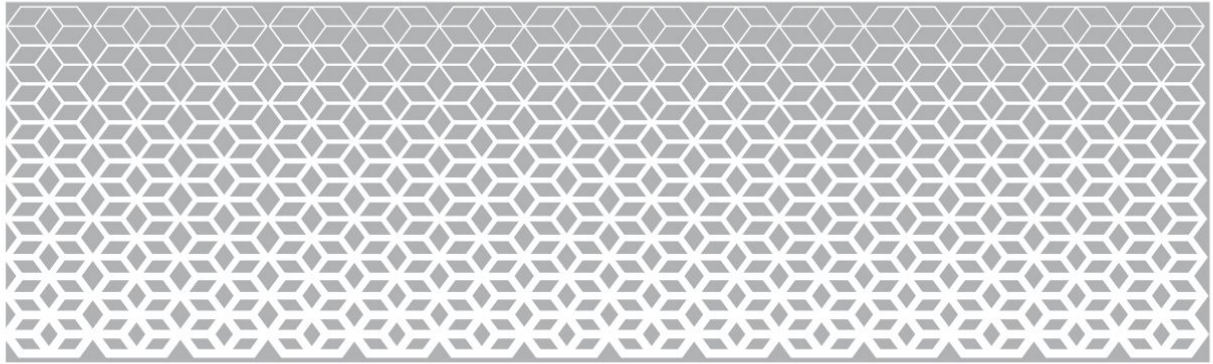

The design is flexible and can be combined with full frosted, lines, or additional text stickers and logos.

SB 016

**The height and width are adjustable, but the minimum gap and line is limited to 8mm.*

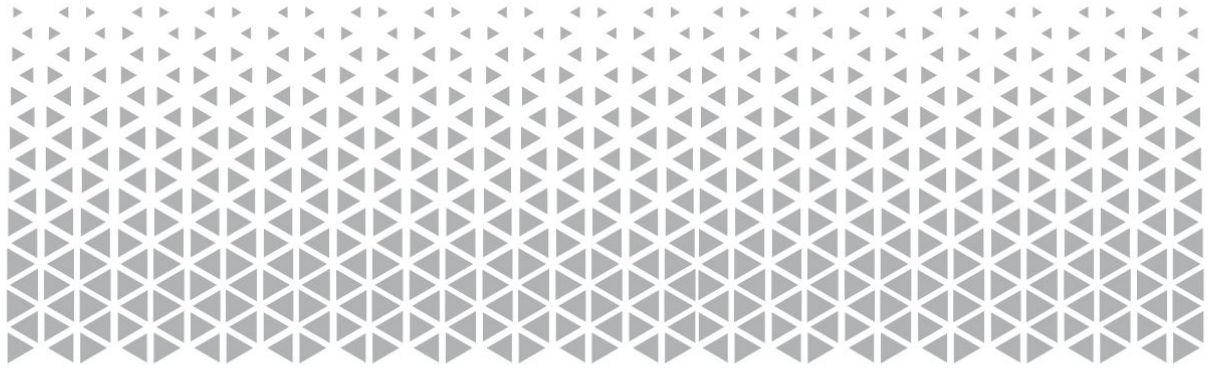

Light Diffusion

Frosted glass helps diffuse light, creating a soft and even lighting effect, which can reduce glare while still allowing natural light to enter a room.

Adaptable

You can choose to install the design on the full glass, half, or a quarter of your glass size. We can adjust the design according to your glass size.

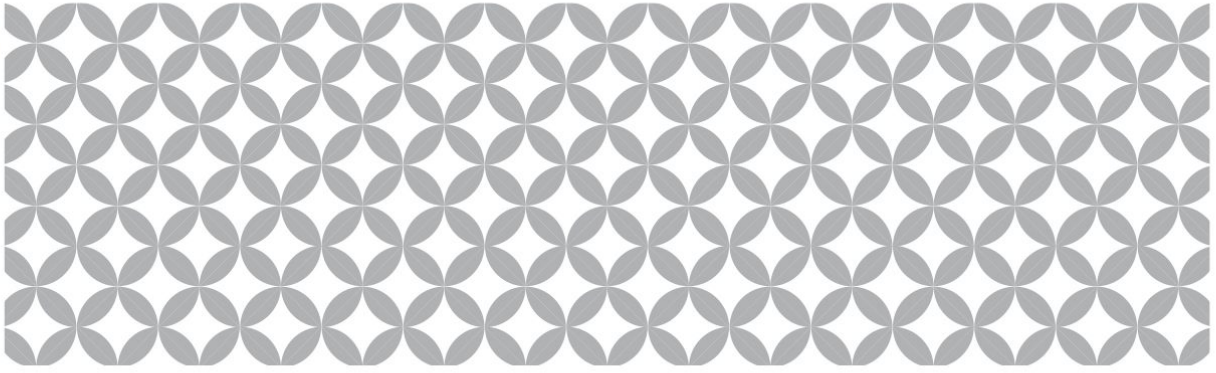

Aesthetic Appeal

It adds a modern, sleek look to any space, elevating the interior decor with a stylish and sophisticated touch.

Durability

Average frosted is made from 3mil thickness, making it resistant to fading and wear over time, ideal for indoor use.

Improved Safety

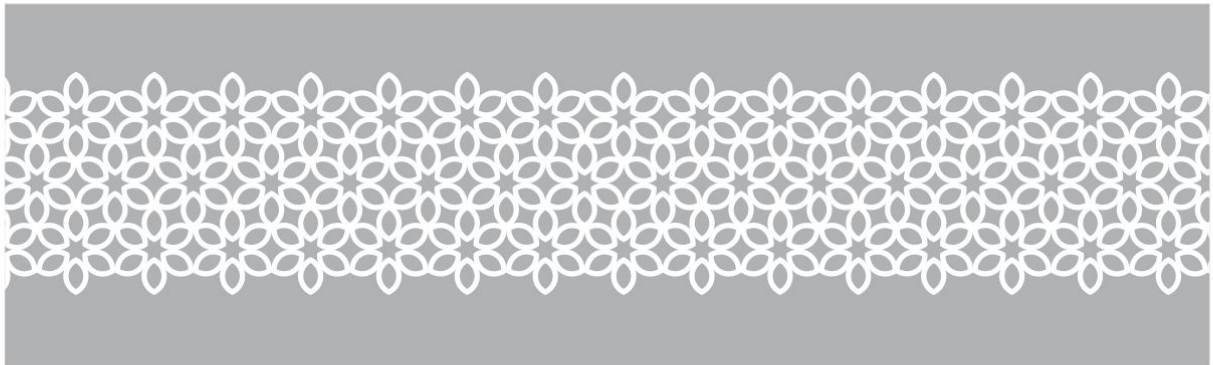

Frosted designs can make glass more visible and prevent accidents, especially in high-traffic areas.

Easy to Maintain

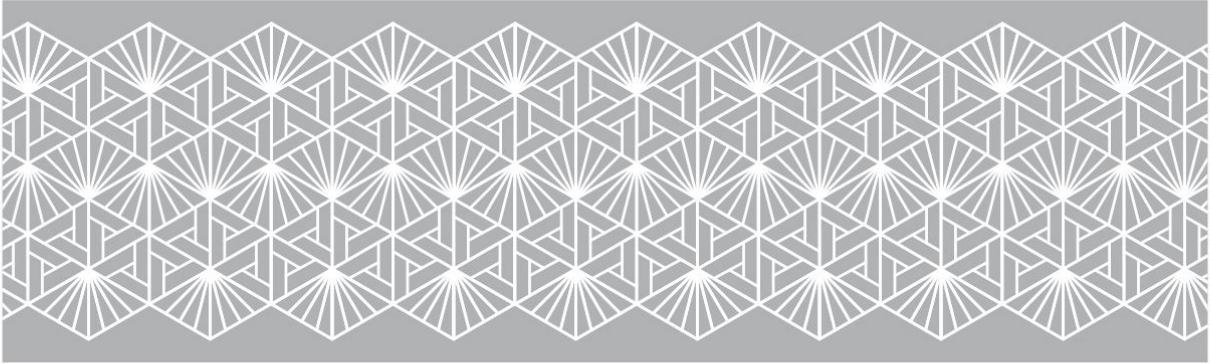

Frosted glass is low maintenance and easy to clean, as it doesn't show fingerprints or smudges as clearly as clear glass.

Affordable Customization

Achieve a premium look without the high cost of etched or sandblasted glass. Compared to printed stickers and lacquered glass, frosted designs are more cost-effective.

windowfilm.com.my

At Sun Barrier, we specialize in **Frosted Computer Cutting**, commonly referred to as frosted glass decal or frosted customization. We utilize frosted materials to showcase custom designs precisely cut using a plotter cutting machine.

We also offer a variety of colored stickers for computer-cut designs.
